II. Basis for Jurisdiction

Under 42 U.S.C. § 1983, you may sue state or local officials for the “deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws].” Under *Bivens v. Six Unknown Named Agents of Federal Bureau of Narcotics*, 403 U.S. 388 (1971), you may sue federal officials for the violation of certain constitutional rights.

A. Are you bringing suit against (check all that apply):

☐Federal officials (a *Bivens* claim)☒

State or local officials (a § 1983 claim)

B. Section 1983 allows claims alleging the “deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws].” 42 U.S.C. § 1983. If you are suing under section 1983, what federal constitutional or statutory right(s) do you claim is/are being violated by state or local officials?

USCA CONST Amend. XIV, §1-Equal Protect

C. Plaintiffs suing under *Bivens* may only recover for the violation of certain constitutional rights. If you are suing under *Bivens*, what constitutional right(s) do you claim is/are being violated by federal officials?

- D. Section 1983 allows defendants to be found liable only when they have acted "under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory or the District of Columbia." 42 U.S.C. § 1983. If you are suing under section 1983, explain how each defendant acted under color of state or local law. If you are suing under *Bivens*, explain how each defendant acted under color of federal law. Attach additional pages if needed.

Jeske and Ledbetter acted under color of state law under the Oregon Department of Corrections (ODOC) in upper management positions. Jeske, as the Westside Institution Administrator for ODOC and Ledbetter as the IT Manager for ODOC. Each of their affective decisions were made under the authorities provided to them in these positions under ODOC.

III. Prisoner Status

Indicate whether you are a prisoner or other confined person as follows (*check all that apply*):

- ☐ Pretrial detainee
- ☐ Civilly committed detainee
- ☐ Immigration detainee
- ☒ Convicted and sentenced state prisoner
- ☐ Convicted and sentenced federal prisoner
- ☐ Other (*explain*) _____

IV. Statement of Claim

State as briefly as possible the facts of your case. Describe how each defendant was personally involved in the alleged wrongful action, along with the dates and locations of all relevant events. You may wish to include further details such as the names of other persons involved in the events giving rise to your claims. Do not cite any cases or statutes. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

- A. If the events giving rise to your claim arose outside an institution, describe where and when they arose.

N/A

- B. If the events giving rise to your claim arose in an institution, describe where and when they arose.

The events giving rise to my claim arose within CCCF, through the Lifeskills department, beginning in room M111 on or about May 16th, 2022, through many different dates when I have tried all the various stages of grievances and discrimination complaints up until April 10th, 2023 when the final step required by the PLRA was denied by the Risk Management department.

C. What date and approximate time did the events giving rise to your claim(s) occur?

Beginning on May 16th, 2022 at around 1:00 p.m. when the original verbal denial of the consoles to the present.

D. What are the facts underlying your claim(s)? *(For example: What happened to you? Who did what? Was anyone else involved? Who else saw what happened?)*

On May 16th, 2022, I and twelve other women were denied possession of our Xbox consoles that we had ordered several weeks earlier through Reboot Salem. Assistant Superintendent, Ms. Christine Popoff, called the thirteen of us to room M111 to tell us that Ken Jeske was not going to let us have them due to them being purchased outside of the approved purchasing process and Forest Ledbetter was also not going to allow us to have them because they can interface with ODOC computers. On August 11th, 2022 we were all forced a refund for our consoles while the men have been allowed to continue to have & play several different entertainment console in their cells and maintain possession.

V. Injuries

If you sustained injuries related to the events alleged above, describe your injuries and state what medical treatment, if any, you required and did or did not receive.

N/A

VI. Relief

State briefly what you want the court to do for you. Make no legal arguments. Do not cite any cases or statutes. If requesting money damages, include the amounts of any actual damages and/or punitive damages claimed for the acts alleged. Explain the basis for these claims.

I would like the court to address the discriminatory actions displayed by Mr. Ken Jeske and Mr. Forest Ledbetter. Also, I would like equal recreational opportunities' to what the similarly situated incarcerated men are afforded at other institutions in Oregon. I would like the inmates at CCCF, which are predominantly women, to be regarded with the same level of importance and respect as the men. I would like the women to be allowed to purchase all of the same gaming consoles and rating or quality of games for a reasonably similar cost to what the men paid for in-cell/bunk use as personal consoles, like the men's facilities have already set precedence to.

Inmates in Oregon with PlayStation 4/5 or Xbox One/One S = 100% MALE

VII. Exhaustion of Administrative Remedies Administrative Procedures

The Prison Litigation Reform Act ("PLRA"), 42 U.S.C. § 1997e(a), requires that "[n]o action shall be brought with respect to prison conditions under section 1983 of this title, or any other Federal law, by a prisoner confined in any jail, prison, or other correctional facility until such administrative remedies as are available are exhausted."

Administrative remedies are also known as grievance procedures. Your case may be dismissed if you have not exhausted your administrative remedies.

Accepted, processed & eventually answered, but still denied equality & fairness, after many kytes, grievances, non-responses, & other attempts to communicate & resolve the issue. (See attached)

- I filed Discrimination Complaint Appeals for both Discrimination Complaints after they were finally answered with denials of my 14th amendment right to equal protection. Many times, more grievances had to be filed just to get an answer after the allotted time had expired but I eventually was able to get through the entire grievance process with more appeals to the AICCRC in the Office of the Inspector General which was completed on November 18th, 2022. Pursuant to the provisions of ORS 30.275, claimant gives notice that a claim for damages is or will be asserted against the public body or an officer, employee or agent of the public body. Below is a description of the time, place and circumstances giving rise to the claim.

After many months of exhausting department remedies, my discrimination complaint appeals were denied, DC#CCCCF-2022-06-005 & DC#CCCCF-2022-06-016. See enclosed copies of grievances, complaints, kytcs, proposals, receipts, etc. The first discrimination complaint is against Ken Jeske for claiming I didn't purchase my Xbox within the approved process, when it was approved through CCF's security, EMT & the ONLY process available to me. The second discrimination complaint is against Forest Ledbetter for claiming the Xbox console can interface with DOC systems but this was NEVER an issue at any of the male facilities, just with the females. Both complaints have been appealed to the ALCRC in an attempt to acquire the special order Xbox that I lawfully purchased in Feb. 2022. ODOC has deprived me of equal protection as required by the 14th Amendment which states that I will not be discriminated against due to my gender. In denying me the Xbox I purchased, offering the "idea/concept" of a Switch,

PAGE 1 OF 2

Tort Claim Notice
[ONE OCCURRENCE, PER FORM]

& not at least the PlayStation 4 (a higher level of quality in video game consoles) ODOC continues to discriminate against me, & lacks justification for the unequal treatment, in my attempt to gain a level of entertainment that is equivalent to what ONLY the male AICS have access to. This unequal treatment of females who are similarly situated to the male AICS is intentional & bears no penological interest. The gender discrimination so blatantly displayed by ODOC begs the court to view this case with heightened scrutiny in consideration for the lack of parity of treatment by prison officials to provide women with substantially equivalent substance to those provided for men. Of all the inmates in Oregon that have access to this higher level of video gaming, such as Xboxes & PlayStations, 100% of them are male. There is no rational basis for denying me an equal level of quality & ODOC's practice is not substantially related to the achievement of important governmental objectives, nor does it pertain to legitimate governmental purpose to deny women these options. It is a claimant's responsibility to prove their allegations. Claimant must provide documentation before Risk Management begins an investigation with Dept. of Corrections. Provide any kytes, grievances, property inventory, canteen receipts and incident reports that substantiates your claim.

RE: Discrimination Complaint Appeal: CCCF 2022-06-005A

Dear Jacquelyn Novack:

You have requested review of the above referenced Adult in Custody discrimination complaint by the Adult in Custody Complaint Review Committee (AICCRC). This committee hears appeals of discrimination complaints that were first reviewed at the institutional level. I am responding to your appeal of the original finding regarding your complaint. You filed your original complaint with Coffee Creek Correctional Facility on June 1, 2022. Your complaint was received on June 1, 2022 and accepted for investigation on June 10, 2022. After a thorough investigation, Superintendent Brown determined there was no basis for your complaint. Superintendent Brown sent the reasons for her decision to you in writing dated August 29, 2022. You then sent a letter requesting review of the original decision.

On November 3, 2022, the AICCRC heard your appeal and determined the following: Your allegation of discrimination has been carefully reviewed. The committee found there is no new information or reason to overrule or change the original decision.

The department now considers this matter closed.

Sincerely,

Craig Prins

List in detail all the reasons you disagree with the initial discrimination complaint response. (Attach original discrimination complaint form and staff response.)

On August 30, 2022 I received a response denying my Discrimination Complaint against Ken Jeske, Westside Administrator (DC # CCCC-2022-06-005) which I filed on June 01, 2022. This denial was received in a letter from Superintendant Nicole Brown stating that there was insufficient evidence discovered to substantiate my allegations. This conclusion is neither accurate nor true. Of all the AICs in ODOC custody that rent or/own an Xbox for in-cell personal use, 100% of them are genetically male, housed in men's facilities. Not only did I not receive my Xbox when it was delivered on 5/10/22, that I lawfully purchased in February 2022, using CCCF's approved process, I was unwillingly & forcefully reimbursed on 8/11/22 the \$615.00 that I paid, contrary to my expectation & understanding, per my conversation with C. Popoff. Not only would this type of treatment not happen to

Describe what action you want taken to resolve your complaint. (How can the problem be solved?)

the men, it did not & does not happen. The men continue to possess & play their Xboxes in their cells, regardless of any risk to security or purchase process violation but I, a woman, am not afforded the same opportunity. This treatment is clearly discriminatory as it excludes me, a woman, & continues to allow the men to have a higher quality & higher level of entertainment than me, even though we are similarly situated in housing. I have been 'left-out' of the higher quality & level of entertainment based on my assigned sex. The idea that ODOC Administrators Ken Jeske & Nicole Brown, didn't consider me, a woman, to be included for the incentive item & activity, Xbox, further exhibits their discriminatory mindset, placing me in a "less-than" or "unworthy" category compared to the men.

Dear Jacquelyn Novack,

This letter is in response to your Discrimination Complaint, CCCF-2022-06-016, in which you allege that you as a female AIC at Coffee Creek Correctional Facility are not being allowed the same access to an X-Box entertainment center as the male AIC's are at male facilities. Please see the attached statement from Mr. K. Jeske regarding your claim.

Dear Jacquelyn Novack,

This letter is in response to your Discrimination Complaint, CCCF-2022-06-006, in which you allege that you as a female and living in a female correctional facility are not being afforded the same privileges as male AIC's are in male institutions. You claim that they have access to personal X-box's and you do not. Ms. L. Arrington, Diversity Coordinator, was assigned the coordination of this investigation.

Ms. L. Arrington spoke with Mr. K. Jeske, West Side Administrator regarding your claim. Attached to this letter is the response Mr. K. Jeske provided.

At the conclusion of the investigation, there was insufficient evidence discovered to substantiate your allegations. Thank you for addressing your concerns appropriately. It is the Department's expectation that its employees, volunteers, and contractors maintain the highest level of professional and respectful standards.

You are entitled to further review of your discrimination complaint by the Adult in Custody Complaint Review Committee (AICCRC). The AICCRC is not under the control of any institution. To get a second review of your complaint you should:

TO: Ms. L. Arrington Date: 8/27/22

State your issue in detail: Does a response from staff in regard to a DC or grievance need to be in writing? Such as, CD117B Grievance Response Form? Or, does an action of any kind related to the situation constitute a response? More directly, is the reimbursement of my xbox considered to be a response to my DC? Should I consider my DC with Jeske exhausted since I did not receive a written response in 70 days? Or, is the lack of a written response an implied denial of my request & therefore require an Appeal? I don't know if the correction to my DC Appeal is accurate or necessary, nor have I received notice of further investigation. Nothing I can find in 291-006 is explicit in answering some important questions that I have. Can you help me?

State your issue in detail: When staff don't respond to a Grievance or Discrimination Complaint using the standard "Grievance/DC Response Form", how is the Grievance/DC 'closed-out'? If we're allowed 4 Grievances/DC at a time & 3 of them are never responded to, but the 35/70 days have passed, plus the 14 days to grieve the non-respons, ... how do I/we (AICs) 'close' Grievances/DC that are ignored or have not been responded to using the corresponding "Grievance/DC Response Form" (via kyle or verbal)? Is there a specific procedure appropriate for addressing these issues? The 291-006 rules don't answer these questions.

The xBox proposal was submitted over a year ago, on Aug 25, 2020. Now there is an AIC ^(zombie) from OSP here who has been allowed to keep their game console.

There is only one cause for my frustration & that is "while you are working to finalize what systems will be allowed into the facility & under what circumstances" the men at OSP & OSC1 are still playing their xbox consoles in their cells, & I, a woman, have not been extended the same 'equal opportunity'.

My xbox has been in this facility for nine (9) days & I have not received it, yet. So, my question is this: "Since the men at OSP & OSC1 have been allowed to keep & play their xboxs in their cells, can I have my xbox?"

On 9/21/21, I sent C. Naugle a Kyte (see attached copy of Kyte) asking him about the status of a proposal to allow NCI level 3 AIC's to purchase a facility specific gaming console & a proposal to create a Lifer's Club at Coffee Creek.

In failing to respond to my Kyte in a timely manner, C. Naugle is behaving unprofessionally towards me.

Describe what action you want taken to resolve the grievance. (How can the problem be solved?)

I want C. Naugle to respond to my Kyte.

List, in detail, action(s) taken. (What action was taken? Was the action what the AIC requested? If not, why? Who took the action? When was the action taken – date/time?)

Hello. I just recieved your kyte last week. I responded to it on 10/5/21 and came and met with you on J unit the same day. I am in meetings all day and do my best to respond to kytes within two days of recieving them.

As for the proposal, I presented it at EMT on 10/5/21, and noone had seen the proposal that was submitted back on 8/25/20 to Mr. Sheppard. I'm being told that the Superintendent has a copy, but has not acted on it due to COVID emergency, staffing crisis and waiting to have a full time Assistant Superintendent of Security in place to respond to this request. I just promoted to this position on 9/1/21.

As for our discussion on 10/5/21, I told you I would bring this to EMT for further discussion and that I would follow up with you by 10/15/21. I am aware of the proposal and I told you I would look into this request. Please give me a chance to work on it.

Looking forward to working on this proposal and hope that I can come up with a solution to ensure equality/fairness since other male institutions allow for this to be purchased.

This is in response to your Grievance and your feeling like you are being discriminated against as a female because men are currently allowed to purchase, or rent, X-Box gaming consoles when women are not.

As previously explained, the X-Box system you purchased, and have been reimbursed for, was not authorized through the appropriate security and purchasing policies and did not get approved through IT to ensure connectivity security standards. When I learned of this issue, all new purchases of gaming consoles were ceased until we could become compliant with our policies. This work is underway. We have received and approved a secure gaming system from the vendor, have identified a proposed list of games, and are finalizing an affordable price for these modified consoles.

We are finalizing the new AIC purchase program so every AIC will have the opportunity to own their own system and do so within DOC policies. Once this new program is drafted, it will go through the state wide Institution Security Managers (ISM) for consideration and approval. I appreciate your patience as we work though this complicated issue.

On August 30, 2022 I received a response denying my Discrimination Complaint against Ken Jeske, Westside Administrator (DC # CCCF-2022-06-005) which I filed on June 01, 2022. This denial was received in a letter from Superintendent Nicole Brown stating that there was insufficient evidence discovered to substantiate my allegations. This conclusion is neither accurate nor true. Of all the AICs in ODOC custody that rent or/own an Xbox for in-cell, personal use, 100% of them are genetically male, housed in men's facilities. Not only did I not receive my Xbox when it was delivered on 5/16/22, that I lawfully purchased in February 2022, using CCCF's approved process, I was unwillingly & forcefully reimbursed on 8/11/22 the \$615.00 that I paid, contrary to my expectation & understanding, per my conversation with C. the men, it did not & does not happen. The men continue to possess & play their Xboxes in their cells, regardless of any risk to security or purchase process violation but I, a woman, am not afforded the same opportunity. This treatment is clearly discriminatory as it excludes me, a woman, & continues to allow the men to have a higher quality & higher level of entertainment than me, even though we are similarly situated in housing. I have been 'left-out' of the higher quality & level of entertainment based on my assigned sex. The idea that ODOC Administrators Ken Jeske & Nicole Brown, didn't consider me, a woman, to be included for the incentive item & activity, Xbox, further exhibits their discriminatory mindset, placing me in a 'less-than', or 'un-worthy' category compared to the men.

RE: Discrimination Complaint Appeal: CCCF_2022_06_005A

Dear Jacquelyn Novack:

You have requested review of the above referenced Adult in Custody discrimination complaint by the Adult in Custody Complaint Review Committee (AICCRC). This committee hears appeals of discrimination complaints that were first reviewed at the institutional level. I am responding to your appeal of the original finding regarding your complaint. You filed your original complaint with Coffee Creek Correctional Facility on June 1, 2022. Your complaint was received on June 1, 2022 and accepted for investigation on June 10, 2022. After a thorough investigation, Superintendent Brown determined there was no basis for your complaint. Superintendent Brown sent the reasons for her decision to you in writing dated August 29, 2022. You then sent a letter requesting review of the original decision.

On November 3, 2022, the AICCRC heard your appeal and determined the following: Your allegation of discrimination has been carefully reviewed. The committee found there is no new information or reason to overrule or change the original decision.

The department now considers this matter closed.

Sincerely,

Craig Prins

As I have previously stated, the X-box you were allowed to purchase at CCCF was not purchased under an appropriate approval process. There was not a state wide process that you mentioned in your complaint and to my knowledge you have been reimbursed for your Xbox purchase. We are nearly finished with a appropriately approved Nintendo Switch purchase program that meets the IT security needs, follows DAS purchasing guidelines and allows all AIC's across the state to own vs. rent these devices and games through an appropriate process. Our hope is that this will be approved and in place to allow people to make purchases and receive them by Christmas.

Dear Jacquelyn Novack,

This letter is in response to your Discrimination Complaint, CCCF-2022-06-016, in which you allege that you as a female AIC at Coffee Creek Correctional Facility are not being allowed the same access to an X-Box entertainment center as the male AIC's are at male facilities. Ms. L. Arrington, Diversity Coordinator, was assigned the coordination of this investigation.

Please see the attached statement from Mr. K. Jeske regarding your claim.

At the conclusion of the investigation, there was insufficient evidence discovered to substantiate your allegations. Thank you for addressing your concerns appropriately. It is the Department's expectation that its employees, volunteers, and contractors maintain the highest level of professional and respectful standards.

You are entitled to further review of your discrimination complaint by the Adult in Custody Complaint Review Committee (AICCRC). The AICCRC is not under the control of any institution. To get a second review of your complaint you should:

- Send a completed discrimination complaint appeal form and all prior documentation to your Institution Discrimination Complaint Coordinator in accordance with OAR 291-006-0070.
- Please note that the scope of the original complaint cannot be expanded. No additional information may be submitted unless it was unavailable to you at the time the original discrimination complaint was filed, and the information is directly related to the alleged initial complaint.

Your accepted appeal, with attachments, will be sent to the AICCRC for review. You should receive a response from the Inspector General within 70 days.

Sincerely,

I received a refund of \$465.00 on 8/11/22 for an Xbox, its WiFi removal, my profile download & 6 games that I purchased last February. C. Popoff offered to allow me to be reimbursed, send it out or wait for distribution approval pending a resolution to Ken Teske's & Forest Ledbetter's approval process (statewide) & security concerns. I chose to wait for the resolution & pursue discriminatory issues since none of the concerns seemed to affect the men. While waiting for resolution, ODOC forced a reimbursement upon me without a resolution to how I can receive my property that I have done nothing to cause the loss of its privilege. This property was purchased lawfully through the only process available to me at the time, the same process used for crafts & other special items.

I would like to purchase & receive the Xbox & games that I ordered last February through Trustmasters like Ken Teske said I can in a conversation I had with him, D. Cox & S. Womack on/about 7/27/22.

I submitted a grievance to C. Popoff for not answering a kyle from 7/5/22 to 7/13/22 that was accepted on 7/26/22 (see attached #CCCF-2022-07-033). As C. Popoff does not answer a grievance with the required "Grievance Response Form" (CD117B) it hinders my right to "Due Process". By not enforcing the correct application of departmental policies, rules & other directives by CCCF staff, specifically C. Popoff, Nicole Brown is behaving unprofessional toward me.

Ms. Novack,
 September 21, 2022 we spoke at the Puppy Matriculation ceremony regarding your concerns for AIC idleness and responsiveness from the CRU to your requests. I assured you that we would be reinstating the craft box program and working on the music theory group and that timely responses to AIC communication is important to me. Based on that conversation, and our follow up at the Medium Town Hall, it is my understanding that the matter associated with the grievance is closed.

I filed a discrimination complaint against Forest Ledbetter at the end of May, 2022 that was accepted on 6/30/22, DC# CCCF-2022-06-016. F. Proposal for Facility-Specific Gaming Console

To: C. Naugle, Assistant Superintendent of Security – Coffee Creek Correctional Facility (CCCF)
From: Jacquelyn Novack & Sasha Womack
Date: October 18, 2021
RE: Proposal for a facility-specific xBox game console & games

1. The purpose of this proposal is to allow NCI level 3 AIC's to purchase an xBox One game console with up to 5 games for in-cell use through GameStop Inc., Walkenhorst's Company, &/or other viable sources such as, Wal-Mart, Amazon, etc. (see attached copy of Walkenhorst's "xBox 360 Games" & order form). Both GameStop & Walkenhorst's Company are approved prison industry distributors.
2. AIC's who obtain NCI level 3 status will be authorized by Operations Captain Jost via the 'Package Authorization Form CD-948' to purchase a facility-specific xBox game console & games from approved distributors. AIC's will order these specific items using the same mechanism & procedure that AIC's use to order: 1) craft supplies through LifeSkills, or 2) religious supplies through the security office. Either ordering procedure will include the same packet that includes the following:
 - a. A 'Package Authorization Form';
 - b. The item's order form to the company;
 - c. A pre-addressed, stamped envelope; &
 - d. A stamped & signed CD-28 for the full amount including shipping/handling.
3. Several benefits of authorizing AIC's to purchase this game console & games include:
 - a. Promote normalization;
 - b. Pro-social interaction creating a community with other 'gamers' (both seasoned & novis) where players can share experiences & tips for play-through;
 - c. Reduced stress levels;
 - d. Improve quality of the existing entertainment options;
 - e. Relieve the disparity female AICs housed in CCCF experience in comparison to other ODOC facilities that are predominantly male;
 - f. Alleviate negative behaviors that occur as a result of discouragement or boredom & encourage AIC's to obtain a NCI level 3 status;
 - g. Parity & equality amongst various institutions, both male & female.

Both Oregon State Penitentiary (OSP) & Oregon State Correctional Institution (OSCI) have allowed its AIC population to have access to facility –specific game consoles for in-cell use. OSP has allowed its AIC population to purchase both a PlayStation & a Sega Genesis for in-cell use. OSCI allows its AIC population on the honor housing using to rent xBox units for in-sell use. It is also worth noting here that OSP & OSCI's AIC populations are notoriously more violent than CCCF's AIC population, & yet these items are not considered a threat to the safety, security, or orderly operation of either OSP or OSCI.

1. The purpose of this proposal is to allow NCI level 3 AIC's to purchase either an Xbox One S or a Playstation 4 entertainment gaming console with up to 5 games for in-cell use through Books N Things Warehouse Inc. (see attached copy of Books N Things "Game Consoles and Games" and order form) and The Walkenhorst's Company (see attached copy of Walkenhorst's "Xbox 360 Games" and order form). Both The Walkenhorst's Company and Books N Things Warehouse Inc. are approved prison industry distributors.
 2. AIC's who obtain NCI level 3 status will be authorized by Operations Captain A. Bruns via Package authorization form CD948 (see attached copy of Oregon Department of Corrections Package Authorization) to purchase a Facility-Specific Entertainment Gaming Console and games from approved distributors. AIC's will order these specific items using the same mechanism and procedure that AIC's use to order craft supplies through Lifeskills. The order packet will include the following:
 - a) One Package Authorization Form;
 - b) One order form;
 - c) One pre-addressed stamped envelope (paid); and
 - d) One signed CD-28 for the full amount including shipping and handling.
 3. By allowing AIC's to purchase a Facility-Specific Entertainment Gaming Console and games, the Department of Corrections will encourage AIC's to engage in productive, pro-social interactions with both AIC's and staff. A Facility-Specific Entertainment Gaming Console and games also improves the quality of the existing entertainment options at CCCF. Both Oregon State Penitentiary (OSP) and Oregon State Correctional Institution (OSCI) have allowed its AIC populations to have access to Facility-Specific Entertainment Gaming Consoles for in-cell use. OSP has allowed its AIC population to purchase both a Playstation and a Sega Genesis for in-cell use. OSCI allows its AIC population on the honor housing unit to rent Xbox units for in-cell use. It is also worth noting here that OSP and OSCI's AIC populations are notoriously more violent than CCCF's AIC population, and yet these items are not considered a threat to the safety, security, or orderly operations of either OSP or OSCI. Authorizing a Facility-Specific Entertainment Gaming Console will alleviate the disparity female AIC's housed in CCCF experience in comparison to other ODOC facilities that are predominantly male. Allowing this will also alleviate some of the bad behaviors that occur as a result of boredom and encourage AIC's to obtain NCI level 3 status.

Proposal Title: Game Console
 Proposal Date: 6/15/2020
 Proposal Submitted By: Jacquelyn Nowack

Proposal: To allow incentive level 3 AIC's to purchase Xbox gaming console and up to 5 games for in-cell use. The Xbox gaming console is an institution specific item.

Plan: AIC's who obtain NCI level 3 status will be given the privilege to receive package authorization to purchase one Xbox gaming console from the Walkenhorst Company, a DOC approved vendor that specializes in providing AIC's with the opportunity to purchase an Xbox gaming console that meets the security requirements of DOC facilities nationwide. See attached photo of game console as advertised on the Walkenhorst website.

Need: Encourages AIC's to engage in prosocial rehabilitation by allowing AIC's to improve their existing entertainment options. The AIC's at CCCF need to be provided a sense of equal opportunity compared to institution specific items offered/allowed at other DOC facilities in the state of Oregon. In addition, this could alleviate many levels of bad behavior due to boredom and encourage AIC's to level up.

Expenses/Duties: All expenses incurred will be paid for by the AIC via package authorization and CD-28. The operation Captain in coordination with the Lifeskills department will facilitate the purchasing and distribution of the Xbox game consoles as they arrive in the facility e.g. the Craft supply ordering process.

The Difference Between OSP & CCCF

The most blatant & harmful difference I've seen between OSP & CCCF is the manner of Staff/ATIC interaction.

Not all, but most of the Staff here act in an unprofessional manner - beginning with a general attitude of disrespect based in treating us like grown-up children instead of adults.

As adults, that puts us in the same peer group as Staff, but we're not treated accordingly. Much of this treatment boils down to being designed to subjugate women & "keep them in their place".

It begins with tone when they speak to ATIC's. It's often condescending, re-Young Cass talking to a 2-year-old), Sarcastic, unnecessarily short & pushy, oftentimes openly abusive & compounded by mistreating the person verbally in the presence of other ATIC's.

At OSP, Staff would never speak to a male ATIC this way, especially in front of others. There, they begin with a baseline of professionalism founded on the expectation & fostering of mutual respect.

I believe this dysfunctional culture of abuse here centers around the fact that we are seen as women as 2nd class citizens, & we have a history of not standing up for ourselves - a fact that the Staff are well aware of & which they exploit to maintain their power of control over us.

This controlling power extends to dictating arbitrary rules about our clothing:

- They instill a feeling of shame about our bodies in us by dictating that we must wear bras at all times.
- They have us "model" shirts & pants to the Clothing Room Officer when we ask for new clothing. It must meet with his/her subjective approval as not being "too suggestive".

~~L2A~~
L1B

& if so, making us try on new items.

- They dictate that Socks - even ankle socks - must be visible above the top of our shoes. I've personally seen officers stop female AIC's in the Corridor - a highly public space - & make them remove their shoes to ensure they're wearing Sox.

- They literally bark at us to tuck our shirts in if not tucked in. Again, it's not just the action, but the unprofessional way they instruct.

- ~~we~~ Remember - None of these things are done at OSP to the men! They are all literally designed to constantly remind us that they control our bodies beyond imprisoning them.

The unprofessionalism of CCCF staff extends into every area of our interaction with them.

I was surprised to see how many Kyles are completely ignored as responding to. I've personally sent multiple Kyles to all members of Admin - from the Superintendent down to Dept Mgrs - all without a response.

At OSP, all staff are required to answer every Kyle from an AIC. I've personally sent multiple Kyles to the Supt. which he has personally responded to. It's just one more way to show their contempt for us as adults & human beings worthy of common courtesy & respect.

And yet, if we even begin to question their behavior or point out inappropriate behavior, their immediate response is to either threaten, or in many cases, carry out sanctions.

At OSP, situations such as these would be 1st attempted to be worked thru & resolved, just as you would with any other adult, before resorting to use of sanctions.

~~L3A~~
 L1C
 (2)

These are just a few examples of how Security's Administration at CECF Show Contempt for the guidelines of The Oregon Way - a set of guidelines issuing from the Director's Office which are expected to be adhered to by all ODO staff in the State. This dysfunctional culture is perpetuated by the structure - There is a core group of officers who have been at CECF for many years - some since its opening - who have instilled this unprofessional mistreatment of female AICs as normality, & who instruct the new officers who come here for training that this is "normal". Again, I've personally seen the result of this - these officers who move on to OSP, for example, end up either having to be re-educated by fellow staff & AICs on acceptable & expected performance as an Oregon Court Officer, or they end up eventually coming back here, where they can misbehave without repercussions. The only way to fix this problem which is so entrenched, in my opinion, would be to:

1. Install a Supt who actually takes charge of ensuring that day to day operations & directives for acceptable interaction are actually followed thru on -

2. Clean house - Either make it clear that existing staff will get on board with professional behavior or make it so uncomfortable for them that they leave. Then install new officers trained by staff with a proven track record of following The Oregon Way

3. Install the hierarchy that exists @ other institutions, i.e. ~~Lts~~ Capt Capts Lts, Sgts who follow the hierarchy professionally. Much of the reason there are so many problems here is because this entrenched staff of Cloc & Criples

~~EHP~~
LID

are allowed to treat AICs as they please, without ever being held accountable or responsible for their actions.

These are the people responsible for chasing off every professional, empathetic staff member I've seen who's actually tried to improve things around here & bring CCCF into 21st Century standards for rehabilitating AICs.

Instead, they've recently doubled down on their methods by re-introducing the stringent & draconian rules that they had been moving away from, towards normalization.

The incumbent staff have made it clear they are threatened by normalization because they would have to change how they treat us & thereby lose some of their power of arbitrary control. CCCF is not going into the 21st Century - it's going backward into the mid-20th century.

There are many more singular events I could recount to defend my accusations, but honestly, this is all so depressing & frustrating that I can't go on at the moment.

Hey their hows everything going? Everything here has pretty much gone back to normal. We are on tier 2 still but that will change here in about two weeks or so. We have been able to work out on the weight pile again. Thank God. I have a lot to do in a short amount of time. I've got faith in myself I can get close to where I want to be. I want to show my ex what she is missing. ^{for} Na, I'm doing it for myself. ^{for}

So you are going minimum in June? Did you guys get notice that their doing instead 48 months it is now 60 months to be minimum? So Sweet Heart you very well might go anyday. I don't want to make how your feeling any worse I jist thought you should know is all.

I am Sorry to hear about ^{you} Jan being bullied. I wouldn't listen to my advice in saying to brake the Bully's noise. Even though back 20 + years ago that would of worked. Now days he would get in to much trouble and it wouldn't be worth it. Maybe not brake his nose
